Publication Details

To include a journal in **Indian Citation Index**, please fill details and then upload publication data

Note: Once publication details are submitted, it will go through a selection process before being added in **Indian Citation Index** database.

We will inform you the status of your publication after selection process is over.

Note: **Adding details** or **uploading data** for new/existing journal is a 4 step process.
 Step1: Please select radio button "New Publication" (default option) or "Existing Publication", then click Add button.
 Step2: Once Add button is clicked, page is expanded to allow other information to be filled in.
 Step3: Select your option either to Upload a soft copy (electronic copy) or "Send a print Copy" (hard copy of the journal).
 Step4: In case of soft copy, browse and upload your files, then click on Upload button.

Note: Fields marked with * are mandatory.
